**A. Police Protection**

1. Patrolling, radio responses to calls, and other routine police services using present personnel and equipment will be provided on the effective date of annexation.

**B. Fire Protection**

1. Fire protection will continue to be provided immediately upon annexation by the present personnel and equipment under the contract between the City of Collegedale and the Tri-Community Fire Department.

**C. Water Service**

1. Water lines, which are currently provided to the property by Eastside Utility District, will continue to be provided subject to the extension policies and practices of the Eastside Utility District.

**D. Electrical Service**

1. The electrical services, which are now being provided by the Electric Power Board of Chattanooga, will continue to be provided in accordance with the current policies and practices of the Electric Power Board.

**E. Sanitary Sewer Service**

1. Pursuant to a settlement of a service area between the City of Collegedale and Hamilton County Waste Water Treatment Authority ("WWTA"), WWTA has reserved the right to provide sewer service to customers in the annexed area, and therefore, any sewer service in the area will either be continued, expanded, or extended by the WWTA.

**F. Solid Waste Collection and Disposal**

1. The same regular solid waste collection and disposal services provided within the City of Collegedale will be extended to the annexed area immediately upon the effective date of the annexation and subject to practices and policies of the City of Collegedale.

**G. Street Construction and Repair (Public Streets Only)<sup>1</sup>**

1. Emergency maintenance of public streets (repair of hazardous chuckholes, measures necessary for traffic flow, etc.) will begin on the effective date of annexation.
2. Routine maintenance (patching, seal-coating, grading, etc.) will be scheduled and implemented on the same basis as the remainder of the City.
3. Reconstruction and resurfacing of streets, installation of storm drainage facilities, construction of curbs and gutters, and other such major improvements, as the need

therefore is determined by the governing body, will be accomplished under the established policies of the City.

4. Within six (6) months of annexation, street name signs will be installed in all the substantially developed sections of the annexation area.
5. Traffic signals, traffic signs, street markings, and other traffic control devices will be installed as the need is established by appropriate study and traffic standards.

#### **H. Recreational Facilities and Programs**

1. Residents of the annexed area will have the same access to all existing recreational facilities, parks, etc. upon the effective date of annexation. The same standards and policies now used the City will be followed in the expansion of the recreational program and facilities in the enlarged city.

#### **I. Street Lighting**

1. The City of Collegedale does not provide street lighting, but it is the responsibility of a developer to install street lighting in substantially developed areas as specified in the Collegedale Subdivision Regulations.

#### **J. Planning Services**

1. The planning jurisdiction of the City of Collegedale will extend to the annexed area on the effective date of annexation. City planning will thereafter encompass the annexed area.
2. Enforcement of the subdivision regulations, zoning ordinance, landscaping ordinance, Commercial Design Guidelines, and the Municipal Flood Damage Prevention Ordinance shall be extended to the annexed area on the effective date of the annexation.

#### **K. Inspections and Code Enforcement**

1. Any inspection services now conducted by the City (building, plumbing, electrical, gas, housing, sanitation, etc.) will begin in the annexed area on the effective date of annexation.

#### **L. School System**

1. Children in the annexed area maintain the right to attend schools in the Hamilton County School System.

**M. Other Miscellaneous Services**

1. Other services such as general governmental administration, etc., will be in effect immediately upon the effective date of annexation.

Section 2: Prior to final adoption of this resolution, the Collegedale Municipal Planning Commission (CMPC) shall have rendered a recommendation on this "Plan of Service".

**WHEREAS**, pursuant to the requirements of TCA, Section 13-7-203, the City of Collegedale conducted a public hearing subject to 15 days notice prior to the final reading and adoption of this ordinance herein described;

**NOW THEREFORE BE IT ORDAINED**, by the Board of Mayor and City Commissioners of the City of Collegedale, Tennessee, that

**Section 1: Section 17.05 of the Zoning Ordinance is hereby amended to state as follows:**

**17.05. SIGNAGE REQUIREMENTS.**

The purpose of this section is to regulate the location, type and structural requirements of outdoor advertising displays in the City of Collegedale. The purpose of these regulations is to ensure compatible land uses, public safety, and adequate design standards.

**I. Definitions:**

**Attached Sign.** An on-premise sign painted onto or attached to a building, canopy, awning, marquee or mechanical equipment located outside a building, which does not project more than eighteen (18) inches from such building, canopy, awning, marquee or mechanical equipment. Any such sign which projects more than eighteen (18) inches from a building, canopy, awning, marquee or mechanical equipment shall be considered a "Projecting Sign."

**Awning.** A roof-like cover providing protection from the weather placed over or extending from above any window, door or other entrance to a building but excluding any column, pole or other supporting structure to which the awning is attached.

**Balloon Sign.** Any sign painted onto or otherwise attached to or suspended from a balloon, whether such balloon is anchored or affixed to a building or any other portion of the premises of tethered or floating above any portion of the premises.

**Banner.** An on-premise sign which is made of fabric, paper or any other non-rigid material and which has no enclosing framework or internal supporting structure but not including balloon signs.

**Building.** Any structure that encloses a place for sheltering any occupancy that contains not less than three hundred (300) square feet of enclosed space at the ground level or, is routinely used for human occupancy in the ordinary course of business.

**Canopy.** A marquee or permanent roof-like structure providing protection against the weather, attached to a building, but excluding any column, pole or other supporting structure to which the canopy may be attached.

**Construction Sign.** Any temporary on-premise sign located upon a site where construction or landscaping is in progress and relating specifically to the project which is under construction provided that no such sign shall exceed a total of one hundred (100) square feet in sign area.

**Convenience Sign.** A sign that conveys information (eg, restrooms, no parking, entrance) or minor business identification for directional purposes, and is designed to be viewed by pedestrians and/or motorists.

**Detached Sign.** Any freestanding sign or projecting sign; any sign attached to a canopy which is detached from a building and which has less than two hundred (200) square feet or roof area; any sign attached to a structure which is not a building.

**Facade.** The total external surface area of a vertical side of a building, canopy, awning or mechanical equipment used to dispense a product outside a building.

**Freestanding Sign.** A permanently affixed single or multi-faced on-premise sign which is constructed independent of any building and supported by one or more columns, uprights, braces or constructed device.

**Government Imitation Sign.** Any sign designed to imitate or appear as a Government Sign, placed by any non-government entity.

**Ground/Monument Sign.** Any sign, other than a pole, placed upon or supported by the ground independent of any structure.
